

CERTIFICATE OF COMPLIANCE

This is to certify that the product:

ENVOPAP PACKAGING PAPER AND BOARD MADE WITH AGRO RESIDUE

Has been certified by Intertek to be

COMPOSTABLE

in relation to the requirements of:

EN13432

Requirements for packaging recoverable
through composting and biodegradation

Scope of the certificate

This material is claimed to comply with the requirements of the Packaging and Packaging Waste Directive composting standard EN 13432.

The material is considered to be **COMPOSTABLE** under the definitions of the requirements.

This material is a fibre-based paper that is highly compostable in practice across all EU regions, through all typical existing composting facilities.

Certificate Number:
9170403GP

First Approval:
4 July 2019
