

CERTIFICATE OF COMPLIANCE

This is to certify that the product:

ENVOPAP PACKAGING PAPER AND BOARD MADE WITH AGRO RESIDUE

Has been certified by Intertek to be

MARINE DEGRADABLE

in relation to the requirements of:

EN13432

Requirements for packaging recoverable
through composting and biodegradation

Scope of the certificate

This material is claimed to comply with the requirements of the Packaging and Packaging Waste Directive biodegradability standard EN 13432.

The material is considered to be **MARINE DEGRADABLE**. The fibre-based paper is expected to be highly degradable when exposed to the marine environment.

Certificate Number:
9190212GP

First Approval:
12 September 2019

Issue Date:
18 August 2020
